Announcement

Our new illustrated catalogue of fruit and ornamental trees is much larger and more interesting than usual. It lists many new importations selected by our Mr. Leonard Coates during his recent trip to Europe. It's free to planters for the asking.

Specialties for 1913-14.

"Coates" Pedigreed French Prunes.

Walnuts grafted and budded on California black.

California black seedlings---large.

Ornamental date palms in tubs.

**Also a fine collection of new and standard fruits and
ornamentals---a much larger stock than ever before.**
